Verse

Eb Bb/D Gm F

God you are there in the darkness
When all of my faith has run dry
You're faithful to us in the waiting
Your promise holds true for my life

Verse

Eb Bb/D Gm F

You walk with us through all our trials
When things of this world don't provide
You carry us out of our sorrows
When we're too weak to stand on our own

Pre-chorus

Gm F Bb Eb

And You're calling me
To know you more

Chorus

Eb Bb Gm F

Lord we need you to breakthrough
You're holding us in Your hands
We know You will make new
You're faithful to Your plans
